# INDEX

Thou dost not change, whate'er I  
do, 519

knowest Lord, 671  
knowest my old ward, 62  
now art, to be as, 366  
smilest and art still, 545  
the tree and I the flower, 623  
wast all that to me love, 460

Though I am young I scorn to flit,

133  
justice be thy plea, 46  
this be madness, 92

Thought, a sudden, strikes me, 292

about the burden, what they, 748  
above and beyond all, 421  
act from, quickly follow, 1028  
adds strength to the, 204  
all objects of all, 296

almost say her body, 118  
alone is eternal, 593

and craft and deed, in, 777  
and fancy faint with cold, 544  
and joy and love, 297

and life, Greek, 571  
and passion, chaos of, 207  
and purpose, mold men's, 641

and reading, men of, 561  
another, can mend, 29  
armour is his honest, 114

as a sage, felt as a man, 269  
as the mute had, 652

be not rambling in, 1126  
came like a full-blown rose, 383

# INDEX

1763

Time for supper, proper, 1130  
 for the wearisome old debate,  
 904  
 for things that matter, 901  
 forefinger of all, 466  
 foremost files of, 464  
 forget all, 358  
 forget all, all seasons, 152  
 from all places and all, 609  
 gallops withal, 50  
 God allots to each one, 1193  
 God lengthens, 1214  
 goes by turns, 30  
 goes you say? 648  
 got his wrinkles, 664  
 grows beautifully dim, 941  
 had ceased, a place where, 681  
 hall as old as, 500  
 has come the Walrus said, 598  
 has come when darkies have to  
 part, 567  
 has criticised, book which, 530  
 has fallen asleep, 588  
 has its way with you, 891  
 has laid his hand gently, 440  
 has made, chinks that, 146, 289  
 has no divisions, 1205  
 has taught us a lesson, 1111  
 has touched me gently, 280  
 hath a taming hand, 403  
 hath a wallet, 75  
 healing is a matter of, 1086  
 heaven knows its, 311  
 himself can prove you no truer,  
 467  
 his, is forever, 167  
 history hath triumphed over,  
 22  
 holy, is quiet as a nun, 297  
 how long a, lies in one little  
 word, 59  
 how small a part of, 146  
 I am chained to, 366  
 I could consent to be slain, 1094  
 I count my, 672  
 I marke the, 648  
 I shall achieve in, 624  
 I won't count this, 579  
 in all my, 796  
 in God's good, 484, 491  
 in space and, the universes, 538  
 in store, we have, 486  
 in your flight, 595  
 inheritance held in store by, 496  
 is a gent legalizer, 898  
 is a kind friend, 929  
 is a liar, old, 452  
 is a peddler deals in dust, 711  
 is a sandpile, 887  
 is a sort of river, 1125  
 is a very shadow, our, 1250  
 is all to-day, 305  
 is bald, 37  
 is brief, 857  
 is broke and no proportion kept,  
 60  
 is but our playmate, 555  
 is fleeting, 433  
 is infinite movement, 1192  
 is Lethe, 1205  
 is money, 227, 387, 432, 1130  
 is out of joint, the, 92  
 is passing by, 288  
 is still a-flying, 133  
 is the image of eternity, 1129  
 is the only comforter, 402  
 is the rider that breaks youth,  
 138  
 is the soul of this world, 1121  
 is the stream I go a-fishing in,  
 314

Time is thus bringing, foresee  
 what, 641  
 it is, telling me what, 819  
 it was not, never was, 597  
 kill, 1141  
 kill, without injuring eternity,  
 514  
 lap of, 369  
 last syllable of recorded, 88  
 laughing quaffing unthinking,  
 176  
 lift up all who live in their, 312  
 like the old time, no, 453  
 like this demands strong minds,  
 522  
 little at a, 191  
 look into the seeds of, 84  
 look like the, 84  
 lose breath, till, 718  
 loss of, most grieves, 1136  
 lost in idle company, less, 181  
 lost, was like a run, 1029  
 love and beauty, 628  
 makes ancient good uncouth, 525  
 makes strong, grace that, 650  
 makes these decay, 141  
 man of the, 1218  
 marketh the going of, 449  
 may cease and midnight never  
 come, 32  
 may restore us, 546  
 melt with all-powerful, 1081  
 merry dancing drinking, 176  
 misspending a man's, 183  
 most valuable thing a man can  
 spend, 1130  
 moving, a thing steadfast, 296  
 nick of, 164, 1153  
 no, for make-believe, 1019  
 no, for mirth and laughter, 794  
 no respect of, 54  
 no, to talk, 70  
 noise that, makes, 1024  
 noiseless falls the foot of, 294  
 nor place adhere, 85  
 nor space nor deep nor high, nor,  
 535, 627  
 nor talents, waste not, 332  
 not of an age but for all, 119  
 nothing so precious as, 1141  
 now is the accepted, 1247  
 O measure of, 1053  
 oars keep, 334  
 of a man or woman, 537  
 of bitter fear, 836  
 of day, no proper, 391  
 of grace, that sweet, 454  
 of hopes and fears, 1188  
 of life is short, 63  
 of night, witching, 95  
 of salads, 'tis the, 242  
 of the singing of birds, 1236  
 of year, behold that, 107  
 old bald cheater, 119  
 oldest chronicler of, 681  
 open, and let him pass, 758  
 or fate, I rave no more 'gainst,  
 627  
 ordains for other things, heaven  
 a, 162  
 out of mind, 1148  
 out of mind, has been, 982  
 out of mind, looked on life, 930  
 panting, toiled after him, 231  
 past, 180  
 play the fools with the, 64  
 present, so with, 1137  
 present travel that of old, 128  
 procrastination the thief of, 201  
 profusely squandered, 242  
 redeem the, 954

ime, remnants of the good old,  
 308  
 repair the ravages of, 1165  
 requires, such satisfaction as the,  
 112  
 revolves so fast, round whom,  
 1028  
 rich with the spoils of, 244  
 right more than half the, 1015  
 rock of, 937  
 sail on the stream of, 582  
 saltiness of, 64  
 save only one, if, 756  
 scythe of, mows down, 155  
 sea of, to rise one day, 496  
 seemed but the vassal, 579  
 sense of the value of, 330  
 serves we are going, 652  
 shall teach thee all things, 477  
 shall throw a dart at thee, 120  
 silence and slow, 383  
 silvered o'er by, 265  
 so dark, no, 501  
 so hallow'd is the, 89  
 so little, to do so much, 916  
 some happier, 1004  
 speech is of, 380  
 speech is shallow as, 377  
 spend and waste, 1006  
 spoils the pleasure of the, 87  
 squall of, 979  
 stanchless flows, 993  
 stays we go, 648  
 steady plies the oar, 1066  
 stoops to no man's lure, 632  
 subdue, what will not, 200  
 such a justling, 63  
 supreme, to every life comes a,  
 626  
 syllables jar with, 120  
 teaches many lessons, 1078  
 tedious waste of, 156  
 teeth of, 442  
 that aged nurse, 382  
 that is no more, good, 1179  
 that no man knows, 734  
 that takes in trust, 22

 pattern that we knew 439  
 titwillow 256 624  
 under the Gray 571  
 underneath the abject 1028  
 willow willow, 255  
 Willows hips upon the 1232  
 southern 267  
 tearful 602  
 Willowy brook that turns a mill

 Willy come along with me 795  
 Wilson could write notes 921  
 these words of Bishop's 548  
 Wilson's adventure was the world's,  
 967  
 Win all I fail of 444  
 all who joy would 359  
 all you wish is woman to, 481  
 friends and influence people 952

Win from age not time, 883  
 glorious triumphs, 734  
 greet the men who, 838  
 had the wit to, 708  
 her, aid me to, 832  
 lose good we oft might, 35  
 man that woos to, 618  
 or lose it all, 164  
 or lose, whatever else she may,  
     1066  
 our battles by its aid, 504  
 ourselves good names, 28  
 play to, 819  
 some flaming fatal climax, 942  
 that wonder of the world, to,  
     1160  
 the hand of woman, tremble to,  
     422  
 the trick when in doubt, 197  
 themselves a name, 432  
 they laugh that, 103  
 through an African jungle, 810  
 to-morrow, lose to-day, 1148  
 us, oily unguents still can, 938  
 us to our harm, 84  
 us with honest trifles, 84  
 with gifts honours offices or  
     places, cannot, 171  
 with grace to, 409  
 with simple gratitude, 889  
 without boasting, 837  
 Win' can blow lak hurricane, 712  
 Wins not more than honesty, 73  
     the soul, merit, 212  
     the trick with both, 649  
     who never, can rarely lose, 443  
     women, courtesy, 471  
 Wince, let the galled jade, 94  
 Winchelsea, not lie easy at, 1009  
 once on starlight, 911  
 Wind along the sage, 809  
 among the anchored ships, 918  
 and cloud and changing skies  
     372  
 and clouds now here now there  
     369  
 and limb, sound, 1155  
 and open sky, against the, 296  
 and sea, mate of the, 933  
 and sky were always fair, if,  
     1167  
 and tide, resist both, 70  
 and wind, paths that, 718  
 as large a charter as the, 49  
 bayed the whispering, 250  
 be my width and height, 837  
 bed of straws in the, 1015  
 bellows full of angry, 793  
 bending to the force of the, 1077  
 betwixt the, and his nobility, 61  
 blew, a new, 881  
 blow, come wrack, 88  
 blow thou winter, 50  
 blow upon me so wild, 557  
 bloweth where it listeth, 1244  
 blows loudly, nor ever, 463  
 breathing of the common, 297  
 but a blast of, 1136  
 by the shore, summer, 1009  
 carries their like away, 1137  
 children of the, 717  
 comes off a frozen peak, 868  
 quilter and share of the, 712  
 crannying, 353  
 doth blow, whichever way the,  
     335  
 down stream is blowing, 674  
 dry sun dry, 19  
 each ticking star, 883  
 ever soft, 1173  
 every number of the, 961

Wind, feather for each, that blows,  
     56  
 February, 986  
 feel the free shrill, 674  
 float high in the, 390  
 force of the, 753  
 from the south, a, 914  
 gauze of, 1015  
 go Yoooon, heard the, 699  
 God gives, by measure, 138  
 going down the, 181  
 gone down the, 926  
 gone with the, 802, 827, 1231  
 has blown them all away, 759  
 he that observeth the, 1236  
 hear a voice in every, 243  
 him up, fate seemed to, 178  
 hollow blasts of, 205  
 hope constancy in, 351  
 if winter comes, 366  
 ill, that bloweth no good, 17  
 ill, turns none to good, 19  
 ill, which blows no man good,  
     17, 65  
 immaterial, 1014  
 in a pneumatic tire, 1199  
 in dry grass, as, 953  
 in French politeness, 1199  
 in her mouth, warm, 836  
 in that corner, sits the, 39  
 in the woods a-roaring, 565  
 is always north-north-east, 819  
 is chill, 307  
 is in the tree, when the, 970  
 is rising, listen the, 935  
 is still, 868  
 is, which way, 130  
 it blew cold, 1062  
 it into a ball, 282  
 it's a warm, 856  
 let her down the, 102  
 love not the, 41  
 lovely sighing of the, 385  
 make us a, 1025  
 maned with whistling, 865  
 may follow, though, 742  
 name is, 934  
 nets to catch the, 128  
 no heroes to withstand, 1005  
 nor tide nor sea, 627  
 of criticism, 238  
 of doctrine, 238  
 of doctrine, with every, 1247  
 of the western sea, 466  
 on the heath, there's likewise a  
     407  
 once blew itself untaught, 868  
 or weather, nought cared for, 31  
 pass by me as the idle, 83  
 passeth over it, 1231  
 plain as a prairie, 1007  
 sails filled with a lusty, 28  
 singing through, the old, 871  
 slowly o'er the lea, 244  
 something in the, 37  
 something nothing words, 359  
 sometimes, and sometimes rain,  
     841  
 southerly, and cloudy sky, 229  
 sport of every, 204  
 sprang up from sleep, 365  
 streaming to the, 148  
 away in the, 954  
 tears shall drown the, 85  
 that blends bluegum and cordite,  
     1036  
 that blows that wind is best, 555  
 that carries rain, 828  
 that follows fast, 345  
 that grand old harper, 587  
 that profits nobody, 65

Wind that sighs before the dawn,  
     604  
 they have sown the, 1239  
 tho' thou wert scattered to the,  
     462  
 throw fear to the, 1087  
 tide and, stay no man's pleasure,  
     12  
 to shake the world, 1026  
 to the moon said I will blow you  
     out, 559  
 to wind, from, 619  
 'twas but the, 352  
 up-hill all the way, 587  
 voices of the wandering, 597  
 wail in the, 517  
 warm western, 702  
 was a torrent of darkness, 900  
 was chill, 868  
 was on the lea, 919  
 what, blew you hither, 65  
 when she dances in the, 177  
 wings of the, 1229  
 with a wolf's head, 982  
 words are easy like the, 120  
 Winds about her played, happy,  
     465  
 about me blow, may the, 703  
 and rains so wild, 540  
 and seas smooth fields, 301  
 and waves on side of the ablest  
     navigators, 271  
 are breathing low, when, 368  
 are chill and drear, summer, 669  
 are fair when you fly from harm,  
     1081  
 are free, all the, 667  
 are raging o'er the upper ocean,  
     480  
 are still, the, 671  
 at play, among the, 1067  
 begin to blow, 270  
 blew great guns, 274  
 blow, and crack your cheeks, 98  
 blow o'er pleasant places, spring,  
     560  
 blowing of, 941  
 come, come as the, 309  
 courted by all the, 157  
 do blow, when the stormy, 115  
 fed it with silver dew, 368  
 flowed austere by, 921  
 four, of the heaven, 1239  
 four-square to all the, 467  
 heareth not the loud, 297  
 his horn, huntsman, 229  
 imprison'd in the viewless, 36  
 in their hands, 1104  
 let them be, the great, 881  
 nor'-east to sou'-west, 617  
 of doctrine, 163  
 of heaven, betwixt the, 90  
 of Illinois, 676  
 of March, 56  
 of springtime range, 777  
 of war, mine in the, 758  
 of winter cry, 673  
 on earth, all the, 634  
 other south, 625  
 pilot cannot calm the, 1104,  
     1117  
 remorseful, 588  
 rides on the posting, 105  
 stormy, do blow, 328  
 swept the mountain-height, 369  
 that die alike on land or sea, 681  
 the exhausted chain, 286  
 their revels keep, 502  
 they shift and veer, 735  
 thy wide gray skies, thy, 982  
 up and rectifies his own, 164

- Winds, wailing, and naked woods, 372  
 went whistling by, 369  
 were love-sick, 104  
 whistle free, shrill, 303  
 whistle shrill icy and chill, 481  
 winter, set the yellow wood sigh-  
 ing, 449  
 you are going to tempt, 496  
 Wind's and rain's way, out of the, 906  
 feet shine along the sea, 630  
 panther cry, mad, 961  
 singing, in the, 953  
 soft song, in the, 797  
 will, a boy's will is the, 436  
 Wind-beaten hill, wander by the, 328  
 Wind-broken, lame, 728  
 Wind-hounded, comber, 777  
 Winding bout, many a, 160  
 old roads, 443  
 up days with toil, 67  
 ways of hoar antiquity, 258  
 Winding-sheet of Edward's race, 244  
 snow their, 328  
 Windless night, all through the, 858  
 Window, below my, 754  
 come to the, 374  
 face through a, 880  
 Hannah's at the, 568  
 in Aladdin's tower, 437  
 light through yonder, breaks, 78  
 little, where the sun, 390  
 looked out at a, 1227  
 love flies out the, 1061  
 of the east, golden, 77  
 opened toward the sun-rising, 172  
 panes, waups ascend the, 1035  
 secret, 846  
 tirlin' at the, 475  
 under this, in stormy weather, 191  
 where I often found her, 1033  
 Windows back of sills, keeps the, 1004  
 barred all the, 320  
 fuse in a sweep of light, 1027  
 lavender in the, 119  
 locking the doors and, 629  
 never pry about these, 934  
 nor bars to their, 435  
 not by eastern, only, 519  
 of mine eyes, 1147  
 of my soul I throw open, 443  
 of sense, 809  
 of the almshouse, reflected from  
 the, 515  
 of the mind, chokes the, 114  
 of the sky, shut the, 225  
 of the soul, these, 1147  
 open toward Jerusalem, 1239  
 richly dight, 161  
 smites all the empty, 594  
 to light my own, 879  
 Window's space, open, 364  
 Window-blind, Walloping, 655  
 Window-dressing man, 1032  
 Windowed raggedness, looped and,  
 99  
 Windowless palace of rest, 602  
 Window-pane, rattle the, 395  
 Windsor forest, keeper in, 35  
 Widow of, 782  
 Windswept lone Pacific isles, 1002  
 sky, wild hawk to the, 778  
 space, desolate, 620  
 Wind-walks, up above what, 672  
 Windward and lee, between, 633  
 Windy adulation, bursts with, 635  
 lights of autumn flare, 673  
 night a rainy morrow, 108  
 satisfaction of the tongue, 220  
 side of care, 38  
 side of the law, 55  
 tulip beds, like, 940  
 Wine, a cup of hot, 76  
 a jug of, a loaf of bread, 1133  
 a new friend is as new, 1250  
 across the walnuts and the, 462  
 age leaves us friends and, 335  
 and friendship crown the board,  
 1040  
 and the wealth and the mirth,  
 the, 856  
 and women, 123, 1251  
 and women, let us have, 359  
 apple orchard smells like, 719  
 as a chain about his wits, 1075  
 ballast is old, 347  
 banquet song and dance and, 363  
 best is the last, 445  
 blude-reid, 316  
 blushes into, 165  
 bright as, 951  
 bring me flesh and, 1044  
 Burgundy the winiest, 866  
 cause of mischiefs of mankind,  
 1166  
 change water into, 474  
 cistern water turned to, 973  
 come within a pint of, 198  
 cups of Solomon, like the, 1020  
 deliberate when warm with, 1084  
 dramer's, 908  
 dusky, 819  
 faker than vows made in, 51  
 flown with insolence and, 148  
 for thy stomach's sake, 1247  
 get into the, 847  
 goes in when, 1174  
 good, needs neither bush nor  
 preface, 311  
 good, needs no bush, 51, 1105  
 how exceeding strong is, 1249  
 I'll not look for, 119  
 in a keg, fizz like, 884  
 in, there is truth, 1075, 1109  
 invisible spirit of, 101  
 is a good familiar creature, 102  
 is a mocker, 1233  
 is a traitor not to trust, 711  
 is wont to show the mind of  
 man, 1075  
 ivy-branch over the, 1105  
 joy of, in being drunk, 1218  
 kept the good, until now, 445  
 king can drink the best of, 504  
 land of corn and, 1227  
 landlords, 877  
 life's, 840  
 life's water turned to, 474  
 like flame like, 937  
 like the best, 1236  
 mirror of the heart, 1079  
 monkey, lion, sheep, swine, 1183  
 must taste of its own grapes, 429  
 new, into old bottles, 1242  
 no, so wonderful as thirst, 981  
 of dawn, sacred, 764  
 of life is drawn, 86  
 of love is music, 610  
 of the rarest vintage, happiness  
 a, 790  
 old best to drink, 113  
 old, is a true panacea, 624  
 old manners old books old, 253  
 old Nankin blue old, 650  
 old wholesomest, 128  
 Wine, one drink of, 983  
 our goblets gleam in, 431  
 out-did the frolic, 134  
 pernicious to mankind, 219  
 philosophy and, 646  
 poison of misused, 157  
 pour forth the cheering, 404  
 pour the, to-night, 771  
 purple as their, 215  
 ripe age gives tone to, 573  
 rosy, 664  
 Samian, 359

 181  
 spent them not in, 167  
 spilled the, 556  
 spirit of, sang in my glass, 693  
 stionger, 802  
 sunk more grievances than, 1024  
 sweet white, 857  
 that maketh glad the heart, 1231  
 that tasted of the tar, 822  
 that was spilt in haste, 879  
 that will sell, 51  
 to down trouble in, 768  
 to-night with, down care, 1098  
 Venus rose red out of, 632  
 war and, throve together, 576  
 warns us more than, 522  
 wasted the, 447

 from, 206  
 when it is red, 1234  
 which belongs to another, 1130  
 with four years a-glowing, 1098  
 woman and song, loves not, 481  
 women and song, 1173  
 Wines when good, 680

 rustling of a, 602

 silence of the ancient, 729  
 silence of the receding, 583

that sensitive natures could re-  
gard, 637  
that time and sense have known,  
444  
that we're a-livin' in, 730  
that we're in, 502  
the flesh and the devil, the, 1253  
the race the soul all going some-  
where, 538

thousand things of the, 846  
through all the years, 603  
time is the soul of this, 1121  
tired of wandering o'er the,  
401  
to be but as a stage, 1148  
to be, fabric of the, 1064  
to come, memory in the, 540  
to hide virtues in, 54  
to live in, very good, 185

to the sensual, proclaim, 310  
too beautiful this year, made the,  
982  
too glad and free, made the, 423  
too much respect upon the, 43

very worst ever known, 185

World, visible, is to me more beau-  
tiful, 656

wags, bow the, 49  
wanders singing round the, 963  
war flags of the, 787  
was all before them, 156  
was all forgot, 340  
was always yours, 979  
was born, 755  
was headed for sorrow, 1012  
was mad, sense that, 869  
was made, being there when,  
980  
was made in six days, 1175  
was made, May Morning when,  
980  
was not to seek me, 237  
was on thy page, 369  
was sad till woman smiled, 327  
was so made, 318  
was worthy of such men, 428  
wax colder, though all the, 675  
we brought nothing into this,  
1248  
we do not see, a, 480  
we must conceive to be eternal,  
1107  
we stray, how large a, 870  
weary's the, 949  
were atomized, if the whole, 973  
were just, if all the, 1114  
what a good, this would be, 1066  
what a, is this, 181  
what a little foolery governs the,  
130  
what a rare rare, it is, 732  
what I may appear to the, 184  
what is this, 6  
when all the, dissolves, 31  
when all the, is old, 523  
where all things live, happy, 619  
where much is to be done, 239  
where nothing is had for noth-  
ing, 519  
whereon rests sure the, 1017  
which credits what is done, 469  
which of us is happy in this, 482  
who lost Mark Antony the, 185  
who studies this, travels in  
clouds, 170  
who would succeed in the, 640  
wide arena of the, 589  
wide enough for thee and me,  
241  
will be gulled, if the, 126  
will be in love with night, 79  
will come round to him, 414  
will disagree in faith and hope,  
208  
will end in fire, 868  
will freely offer itself, 1211  
will judge largely of mother, 692  
will little note nor long remem-  
ber, 456  
will make a path to your door,  
416  
will never starve for wonders,  
845  
will not believe man repents, 470  
will sail on, 678  
will wake anew, good old, 674  
with one voice O, 667  
with woe, accidents fill the, 1038  
within hearing, all the, 182  
woke up, the, 1015  
work-a-day, 649  
working-day, full of briers, 48

605

wrangling, 271  
you are beautifully drest, 553  
you in my respect are all the, 42  
you may go through this, 474  
World, four corners of the, 1147  
wrastling for this, 4  
Worlds, allured to brighter, 250

within the hollow of our hand,  
647  
World's a bubble, 112  
a stage, 117  
a stage, all the, 49

 out, thoroughly, 720  
 out with eating time, 178  
 out with failure after failure 635  
 out, word which cannot be, 1184  
 too much abused, too, 728

 Worried and fretted, you'll be, 474  
 Worries me to beat the band, it 907  
 Worry, about and upon which I never, 670

 Years, laughter of the, 335
